Allowable Subject Matter

1. Claims 2-14 and 16-33 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding independent claim 2, 16, and 18, the prior art of record neither shows nor suggest a semiconductor light emitting device comprised of, in part, a first lasing portion and a second lasing portion, the first lasing portion includes a first lasing electrode electrically isolated from the first substrate; and the second lasing portion includes a second lasing electrode electrically connected to the electrode, along with the other limitations of the claim.

Due to their dependency, claims 3-14, 17, and 19-32 are necessarily allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
